JustWorld International & CSI Cannes Partner For Success

June 27, 2005: JustWorld International and CSI Cannes partnered for a successful week of fundraising during the annual horse show held June 9-14 in Cannes, France.

Philippearts of Belgium, and Philippe Rozier of France. While all four riders enjoyed great success throughout the competition, the most notable result was that of Philippearts who finished as the runner-up in the Grand Prix of Cannes riding Kira III.

In addition to the results in the competition arena, JustWorld International received unlimited exposure throughout the horse show. The signature JustWorld International fence remained on the field for the duration of the show, and the jump crew were brightly dressed in JustWorld International hats and t-shirts. It is interesting to note that the jump crew was composed of children from 'Chabracque', a home for orphaned and abused children that trains them in horse-related occupations. *SR*
