Established in 2003, JustWorld International was created to connect equestrians with a direct way to help fracture the cycle of poverty through **education, healthcare, nutrition, and leadership programs benefiting children around the world**. Thousands of Ambassadors from more than forty countries have since committed to "Ride for the Cause" and transform the lives of children through equestrian sport. JustWorld has united the international equestrian community and become the Official Charity Partner of the Fédération Equestre Internationale (FEI), the world governing body of equestrian sport. Envisioning a more just world, the non-profit organization cultivates **strategic, project partnerships in a collaborative approach to impact the lives of nearly 10,000 children around the globe annually**.
